

The new **Offi Trim Plus** cuts single or multiple sheets of paper with ease. Its many useful features make it the ideal trimmer for businesses that demand precision cutting and professional results.

Increased Capacity!

Extra Wide Metal Table with Grid Ruler

Durable metal table with easy to read ruler guides guarantee a fast & precise alignment.

Soft Touch Pressing Bar

Extra wide bar holds materials firmly in place for a secure hold.

Non-Skid Rubber Feet
(not shown)

Safety Lock

Innovative swivel lock system prevents the blade from opening by accident.

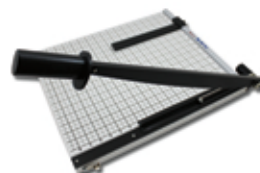

Paper Stopper Guide

With its built-in magnetic strip and locking screw, the paper stopper guide will stay in place after many continuous cuts.

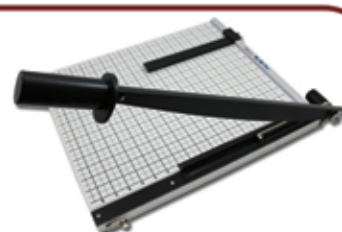

Automatic Return

Premium Stainless Steel Knife

- Refined anti-rust coating.
- Convex edge, for a more efficient cut.
