

Dahle 558

Professional Rotary Trimmer

The Dahle 558 Professional Rotary Trimmer with a 51" cut length is designed for precision and accuracy. It features a ground self-sharpening blade that cuts in both directions, a dual-barrel guide bar for strength, and an automatic clamp to prevent shifting. This German engineered cutter is ultra-precise and ideal for trimming paper, photos, and cardstock.

Features | Benefits

- Self-sharpening blade cuts in both directions
- Dual-barrel aluminum guide bar provides strength and accuracy
- Automatic clamp holds work securely and prevents shifting
- Ground steel blade is encased in a protective housing for safety
- Sturdy metal base with non-slip rubber feet
- Screened inch, metric and angled guides for easy alignment
- Space-saving upright storage with kick-stand endcaps
- Adjustable magnetic alignment guide for sizing cuts
- German engineered for precision and accuracy

Self-sharpening system maintains a perfectly honed blade.

Easily align work with screened inch, metric, and angled guide lines.
