## **Gfp 230C**

### **Compact Cold Laminator**

The Gfp 230C is the perfect complement to the latest wide format inkjet printers. Its space-saving size, efficient set-up and operation, and entry level pricing will add value – and profit – to photo and printed media output. The compact 230C delivers consistently professional results making it ideal for photo studios, copy shops and graphic designers.

#### **ENTRY LEVEL PRICED**

*Designed for small operations*

#### **USER FRIENDLY**

*Intuitive controls*

#### **VERSATILE**

*Mount, laminate, pre-mask tape*

#### **PROFESSIONAL DESIGN**

*Rugged, reliable, feature-rich*

#### **COMPACT SIZE**

*Uses less than 5 square feet*

***mounting • laminating • pre-mask taping***

***Easy set-up & low maintenance make it a hit with new users.***

Quality results keep customers coming back. Performance rivals systems costing thousands more.

- **Fits easily in your office**
- **Quick and easy set-up**
- **Infinite hand wheel adjustment**
- **2.5" diameter rollers**
- **Foot pedal and stand included**

The 230C needs only 5 square feet of space. Or roll it away when it's not in use.

**Simple to operate:**

- forward/reverse
- run/foot
- variable speed.

**Rugged Design**  
**Professional Quality**  
**Proven Performance**  
**Economically Priced**
