

OMNISHRED...Versatility Redefined

Paper and Multimedia Shredder

Paper - Flat or Crumpled

Optical Media (CDs/DVDs)

Flash / USB Drives

Credit Cards/ID Badges

Official Documents

Small Plastic Bottles

The OMNISHRED stacks up against any high-volume paper shredder, but it's so much more than just a paper shredder.

Innovative design combines a single rugged cutting head and powerful motor with two feed openings to accept a variety of media. A slot on the front of the unit is for feeding flat sheets, file folders, and optical media and a door on top of the unit slides open for bulkier items including crumpled waste paper, Compact Flash/SD cards, thumb drives, memory sticks, medicine/pill bottles and more via our unique paddle feed system.

FEATURES

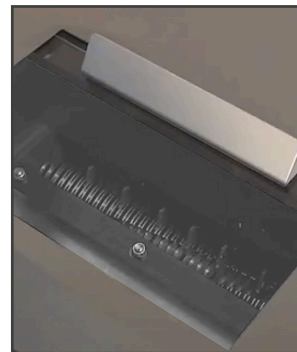

- Automatic Start/Stop via photo sensor
- Auto stop when top feed door is opened
- Unique paddle feed system draws bulky items into the cutting chamber
- Rugged chain driven all metal gear system for durability and long life
- Clearview top door to view the destruction
- Alternating forward and reverse action prevents jams
- Rugged design with robust gears for continuous operation
- i-Control multifunction switch with status indicators for bin full, door open and other operating conditions
- Dynamic Load Sensing ensures machine is fed at the proper rate
- Automatic Oiler keeps cutting head lubricated for peak performance
- EcoLogic Energy Saver shuts power down after 5 minutes of idle time
- Silentec construction ensures low noise level - ideal for office use
- Operates on standard power - 120V/1/60 - 20A
- Mounted on casters for easy relocation

Front feed slot accepts an impressive amount of paper - up to 33 sheets per pass.

Top door slides open for bulk items - top window allows viewing of destruction.

Paddle feed system grabs items and draws them into the cutting chamber.

SPECIFICATIONS

Particle Size (mm)	3.6 x 43 - All Media	
Feed Opening #1 Front Slot	12" wide	
Feed Opening #2 Top Door	9.75" x 5"	
Paper Capacity Sheets/Pass	up to 33	
Disc Capacity Disc/Pass	up to 4	
Bin Capacity	30 gallons	
Weight	220 lbs.	
Dimensions (W x D x H)	26" x 22" x 42.75"
