Baum 714XLT

Right Angle Folding System

The **Baum 714XLT** is arguably the finest folder in its class. Now, you can have the quality and durability of the **714XLT** complete with the 8-page right-angle unit in one complete system. Finally, a right-angle folding solution at an affordable price. The **Baum 714XLT "Flow-Thru" Right Angle Unit** is the perfect companion to your **Baum 714XLT Ultrafold Tabletop Folder**.

It can be configured for either right-angle folding or in tandem for multiple parallel folds. An innovative pivoting idler roll design eliminates gap setting requirements. Easy-access slitter shafts allow changing attachments without removing the shafts. The **714XLT** Right Angle features more effective stack removal for higher productivity, new positive drive cross-carrier design and "up & down" folding position capability.
