

EB Series Electric Wire Closer

The EB Series of high quality, ruggedly built electric wire closers is offered in 3 models to handle a variety of width documents; 14", 19-1/2" & 27-1/2". A tilted closing table and closing jaws provides optimum document positioning.

The EB Series of wire closers will handle all 3:1 and 2:1 wire from 3/16" up to 1-1/4".

Changing the closing diameter size is accomplished with a simple twist of a knob.

Optional Calendar Hanger is available for the EB5000 & EB7000 and can be ordered to handle loose or reeled calendar hangers from 2-3/4" up to 6" in length. Hanger inserter is a simple "plug and play" installation.

Optional Stand is available for the EB5000 & EB7000 and can save valuable tabletop and floor space while permitting optimum operator position and efficiency.

Easy - Simple one knob adjustment to change wire closing size.

Versatile - EB3500 handles documents up to 14" in width. EB5000 handles documents up to 19-1/2" in width. EB7000 handles documents up to 29-1/2" in width.

Adaptable - EB models will close all size 3:1 and 2:1 Wire-O® from 3/16" up to 1-1/4" Ergonomic Design - Tilted document feed and extendable document rest bars allow simple and optimum document positioning while minimizing operator fatigue.
