

EXP 62 Plus Laminator

Equipment

The EXP 62" Plus Laminator offers you the perfect finishing solution for your wide format graphics up to 62" wide. With its' easy to use display and versatility of using either pressure sensitive or thermal laminating films, the EXP 62" Plus Laminator is the perfect machine for all your wide format finishing needs.

Operator-Friendly

- :: "Ready" and "Wait" lights indicate when the laminator has reached preset temperatures
- :: Independent upper and lower electronic temperature controls with led display
- :: Spring-Loaded adjustable pressure on laminating and pull rollers for smooth, even lamination
- :: Footswitch allows hands-free operation for guided materials during lamination (optional)
- :: Auto-grip shafts for easy loading of film

Easy To Use

- :: Mounter, Laminator, Encapsulator
- :: Fast set-up and easy operation.
- :: Roller lift for easy film loading
- :: In-line slitter for trimming during lamination (optional)
- :: Variable roller pressure
- :: Accepts low-melt, thermal, and pressure sensitive films
- :: Accommodates substrates up to 1/2" thick
- :: Accommodates rolls up to 8" in diameter
- :: Release liner rewind (optional)

Heavy Duty

- :: Designed for mounting and laminating low-temp, thermal, and pressure sensitive films
- :: Heated Rollers for a variety of films
- :: Heavy-Duty forward/reverse variable speed motor
- :: Sturdy feed-back table with adjustable feed guide
- :: Heavy-Duty top grade silicone rubber rollers
- :: Heavy-Duty chain and sprocket drive

Cooling Fans

- :: Four high-capacity forced air cooling fans

Technical Specifications

Working Width:	62"
Laminator Width:	80"
Height:	50"
Depth:	28"
Net Weight:	500 lbs
Shipping Weight:	620 lbs
Speed:	1-10 fpm
Maximum Temperature:	300 F
Maximum Aperture:	1/2"
Roller Diameter:	3"
Air:	n/a
Electrical:	220V single phase

Available Options

Stand (included)
Release Liner Rewind (included)
Foot Switch (optional)
Slitter Kit (optional)
