# RSL – 2702S

27" Desktop Laminator

27" Wide Format Roll Laminator in a compact tabletop design. Great for both hot and cold lamination, encapsulating and mounting. The RSL-2702S features digital controls, independently heated silicone rollers and multiple set-up memory channels.

HIGHLIGHTS

- **Optimized Performance** Perfect for use by most print and sign shops
- **Easy to Use** Great for encapsulating, cold lamination or mounting up to 7/32" substrates
- **9 Memory Channels** Save the most often used settings into memory for quick access
- **Dual Hot & Cold** Excellent for both two-sided encapsulating and single-sided pressure sensitive lamination

The RSL-2702S is a high quality, economically priced hot and cold laminator specifically designed for users to easily and professionally finish sheets printed on thinner materials. Built for safety and ease of use, it is perfect for laminating and mounting pressure-sensitive graphics up to 27" wide as well as encapsulating graphics. It has a durable, sturdy frame construction and requires no assembly and minimal maintenance. Backed by 25 years of experience, the RSL-2702S is a smart option for today's print, graphics & sign shops.

Auto grips to secure film cores to feed and wind up rollers

User friendly controls simplify operation

Cross cutter permits simple cutoff as the laminated material exits the rear of the machine
