

Martin Yale® SP200

The SP200 is a great companion for any print operation, providing stand alone score and perforating capabilities. It creates tent style business cards, occasion cards, and tickets. The fully adjustable paper guides move to accommodate 3-1/2" to 12" wide sheets of 3 24 lb. bond to 100 lb. cover stock. The score and perforating hubs are adjustable for easy setup. Two 14-tooth perforating wheels and two scoring wheels come with the machine with additional perforating, scoring, and slitting wheels available.

- Great companion for any print operation, providing stand alone scoring and perforating capabilities
- Creates tent style business cards, occasion cards, and tickets
- Adjustable scoring and perforating hubs make for easy setup
