- ID Cards

ES5500

Desktop Pressure Sealer

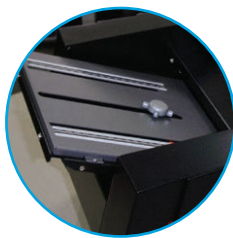

The **Paitec ES5500 Pressure Sealer** is a powerful desktop pressure seal machine which processes up to 5,000 forms per hour with a monthly duty cycle of 30,000 pieces. The feed table holds up to 150 pressure seal forms which gives it the largest capacity in the desktop pressure seal market today.

The ES5500 also includes an LCD display with an item counter and batch count processing. It offers double feed detection sensors and a manual feed slot for sealing pre-folded forms. Easy to use and maintain, it also features our unique angled sealer rollers for superior sealing and is the quietest machine in its category.
